John Wright

Name John Wright

Club Scarboro

Age 64

I am nominating for the position of Vice President of the ASRL. I am currently on the committee of the **ASRL as VP a position I have held for three years**.

Club History
Gained my Qualifying Certificate 1962, Bronze 1963, Instructors 1965, member of the Board of Examiners 1965 1966, elected Life Member 1978

Club Positions: Vice Captain (2 years), Club Captain (2), Sponsorship Director (9), Deputy President (2), President (2), and Boat captain (16)

Along with Richard Meadmore (Nth Cottesloe) we formed the first WA Boat Panel in the early nineties to encourage clubs to increase their numbers and strengthen the rowing standards in WA.

I am a member of **SLSA's Standing Sports Committee** (previously the BOSS) since 2003 and during my time on this committee I oversaw the introduction of UN23 Female boat, Boat Relay as an event at the Aust Titles, changing the roll over rule, and getting more division of Masters Female racing at the Aust Titles.

I have been on many Aust titles boat panels as a member and/or chair of the panel.

I am also a member of the **SLAWA board**.

I rowed in Scarboro's Open crew for 11 seasons and have been sweeping all grades since the mid-eighties.

With the introduction of the new **SLSA Surf Boat Committee (SBC**) the ASRL finally has a strong voice at the table and I look forward to continuing my role in improving and developing our sport.

I have enjoyed working on the behalf of all the rowers around the country for the last three years and I hope to have the opportunity to continue my role into the future.

Thank you
